

Dear Carolina Juniors Volleyball Players and Parents,

As a former CJV player, coach, and director, it warms my heart that you all chose to support the families in our program this year! In fact, we were founded by three women who met at CJV - Dena Graziano, Angelica Rosen and myself.

We want every family and child to have a wonderful holiday season - and you made that possible! We already received the sweetest email from one of our family partners who said, "

I don't know where to begin as I wipe the tears from my eyes. I'm so overwhelmed with joy. My children are going to be so happy although I had a hard time hiding gifts because there were so many! I just cried as my liaison and volunteer kept walking back and forth with gifts as I had my little one upstairs trying to hide everything. Thank you so much to Families Forward and donors for making the holidays and everyday possible for me and my children."

CJV has always been a representative of character and kindness in the community and that tradition continues with you!

*Gratefully,
Carrie Christian
